PETITION TO DELETE INVENTOR UNDER 37 CFR 1.48(a)

Sir:

This is Petition to delete an inventor from a pending patent application, pursuant to 37 CFR 1.48(a), for which a fee of \$ 130.00 is due. This petition further contains a request to suspend the rules pursuant to 37 CFR 1.183, for which a further fee of \$130.00 is due, by reason of the non-cooperation of the co-inventor, James A. Thompson, who refuses to execute a Statement that Joseph Itzkowitz was listed as an inventor, without deceptive intent. See the attached Supporting Declaration of the undersigned. Please charge my Deposit Account 50-1407 for these fees, as well as any additional fees due. A duplicate of this Petition is included for this purpose.

The above-identified patent application, as filed, included three inventors, Michal Amit, James A. Thomson and Joseph Itskovitz. Through error and without deceptive intent on the part of the inventors, Joseph Itskovitz was erroneously included. Statements and Declarations setting forth these facts are attached herewith. Consequently, please delete Joseph Itskovitz as an inventor from the above-identified patent application.

Respectfully submitted,
